Farewell Cary Cunningham

After several years of dedicated service, the Customized Support team is sad to announce that Cary Cunningham, Consumer Support Grant coordinator extraordinaire, is moving on. Coordinator Corner

Get to know your Customized Support team!

This issue we are highlighting Customized Support Coordinators, Ann Ewert and Sarah Boyd.

Q: How long have you worked with Lifeworks? What do you love about your job or what was your best ah-ha moment?

Ann: "I've worked full time for Lifeworks for 6 years. About 4.5 years at Burnsville as a service facilitator, and 1.5 years in Customized Support. Before that, I was a summer sub. The best part of my job is meeting my families face to face."

Sarah: "I've worked at Lifeworks for a little over a year now and have loved every minute! I started as a customized support assistant and moved into a coordinator position after about a month. The best ah-ha moment at Lifeworks??? It was when I realized there wasn't actually anything in the water here, that people at Lifeworks really are just *that* nice."
